

2020 RITEK GROUP Institutional Investor Conference

2020/12/18

2020年12月18日
RiTEK GROUP

- ☑ The prospective statements released or mentioned in this presentation are based on our company's data as well as the current situation. The forward-looking statements contained in this presentation are affected by risks, uncertainties, and people's inferences. As a result, actual results may differ materially from those in the forward-looking statements. There are various factors that can affect our prospective statements, including but not limited to the increasing cost of raw materials, market demands, changes of policies or financial situations, and risks that our company cannot control.

- ☑ Our company makes no representation or warranty, whether explicitly or implied, as to the accuracy, completeness or reliability of these forward-looking statements, nor do the statements represent a complete description of our company, the current situation, or further important developments. Our statements on future outlook represent our company's views regarding the future and the data. Our company does not guarantee the accuracy of the data nor undertake any obligation to update or correct any forward-looking statements, whether as a result of new information or future events.

Growing Trend of RITEK Group

Storage

Microstructure

Healthy Industry

RITEK GROUP

GROWING TREND

2010-2020

Extending Business Based on Core Technology

Storage

Data Storage
Energy Storage

Microstructure

Display/Lighting
Optics
Metal Mask

Healthy Industry

Smart Medical
Medical Materials
Cultural & Creative

Storage

- ✓ The only disc manufacturer in the world that has mass-produced and sold discs from CD-R to AD
- ✓ RITEK is positively developing towards to the B2B market for archive storage needs.

Data Storage-The Industry May Change

- ✓ Possible shortage of raw material supply in the first half of 2021?
- ✓ The tug of war may happen between the demand of the disc market and the supply of raw materials!
- ✓ Industrial transformation caused by shortage of raw materials ?
- ✓ The source of high-end product's technology output is reduced!

Solar Module

- Annual Production Capacity of RITEK Module: PREC Module 100 MW
- Corporate with ITRI to develop differentiated patented solar modules

PV Module with Blocking Water Function

System Installation & Maintenance

Solar Power Plants

- Mainly participating company for public housing projects, having the opportunity to become a single power plant company with the largest number of public power plants in Taiwan.
- The current installed capacity is about 50MW.

Extension

Lithium Battery Module

- Power type/energy storage cabinet /lithium battery module and system development
- Industrial UPS lithium battery project is on order status.

Battery & Cell Pack and Assembly

Completed Green Energy

Energy Storage System

- Government Renewable Energy Development Regulations
- Integrate Renewable Energy
- Supporting Plant Facilities
- Optimize Electricity Bills
- Support Grid Applications

Lithium Battery Module Cabinet Test Area

Microstructure

- ☑ RITEK continues to increase its revenue and market share in the high-end market of semiconductor manufacturing
- ☑ Main Clients
 - ☑ The substrate bumping for top semiconductor factories in the world.
 - ☑ IC Substrate (PCB and Printing Stencil)
 - ☑ Stencil for Mini/Micro LED
 - ☑ The fixtures for medical use

Solder Ball Stencil

IC Substrate (Printing Stencil)

Optical Elements

- ✓ Diffraction Optical Element
- ✓ AR Wave Optics
- ✓ Wire Grid Polarizer (WGP)

Semiconductor Device

- ✓ Patterned Sapphire Substrate (PSS)

PMOLED will develop toward to 5G Netcom, AIoT, medical product display screens and other niche areas.

The phototherapy of aesthetic medicine received a special subsidy from the industrial innovation platform to invest in the development of OLED beauty masks.

High-Performance Display **Ridisplay** + Micro/Mini LED

Healthy Industry

Smart Medical

- Day Care Center
- Home Care Service

Cultural and Creative

- Brick Yard 33 (Vinyl Museum)
- Yangmingshan Old Town

Medical Material

- Ozone Technology
- Microfluidic Technology

RITEK Corporation

Beyond Your Imagination
