

A901

M.2 SSD Gen4x4

Creative Efficiency Transformed

Revolutionize your creative process with the unparalleled speed of the A901 NVMe 1.4 SSD with HMB technology.

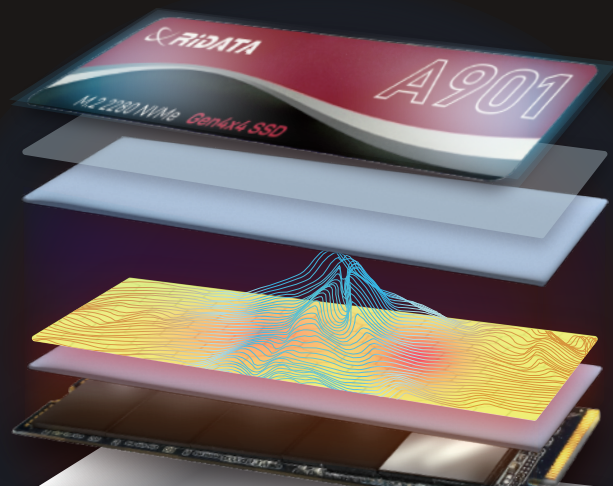

| | Performance Read(max.) | Performance Write(max.) |
|--------------|------------------------|-------------------------|
| 500GB | 7000MB/s | 4000MB/s |
| 1TB | 7400MB/s | 6400MB/s |
| 2TB | 7400MB/s | 6400MB/s |
| 4TB | 7400MB/s | 6400MB/s |

*Performance may vary depending on SSD capacity, testing platform, testing software, operating system, and other system variables.

| | |
|---------------|-------------------------|
| Capacity | 500GB/1TB/2TB/4TB |
| Form factor | M.2 |
| Compliance | NVMe 1.4 |
| Dram Cache | No |
| SLC Caching | Yes |
| Certification | RoHS, CE, FCC, BSMI |
| Warranty | 5-Year Limited Warranty |

3D Cooling

The A901 applies an innovative copper foil graphite design that reduces temperature efficiently, ensuring performance stability.

PCIe 4.0

Backward compatible with PCIe3.0.

With capacity, cooling, and speed all meeting PS5's specified requirements, upgrade your storage and never worry about deleting game data due to limited storage.
